Lidocaine Topical Aerosol

Composition: Lidocaine U.S.P 9.5% w/w

WHAT YOU SHOULD KNOW ABOUT THE PRODUCT

ONLY ME World Famous Delay Action Spray to be used by men, helps men with premature ejaculation and delays orgasm. The spray contains Lidocaine 9.5%w/w as the active ingredient. ONLY ME World Famous Delay Action Spray for Men is supplied in a container spray can containing 12g of active ingredient. Each metered dose supplies 9.5% w/w of Lidocaine.

WHAT THE SPRAY IS USED FOR : The active ingredient, Lidocaine is a Local anesthetic which is used to reduce the sensitivity to touch of the penis just before intercourse. The reduction in sensitivity quickly helps to delay ejaculation in cases of over-rapid or premature ejaculation (Premature ejaculation indicates the gap between a person's expectations and his actual performance). Use of ONLY ME World Famous Delay Action Spray assists in improving the time of Physical Act for both partner. ONLY ME World Famous Delay Action Spray brings pleasure & happiness to both partners. ONLY ME World Famous Delay Action Spray used once leads to a unforgettable experience & pleasure.

DIRECTION FOR USE : The quantity used and the timing will vary with individual requirements but the usual recommended dosage is 3 to 8 sprays to the head and shaft of the penis 5 to 15 minutes before intercourse. You should always use the minimum effective quantity. Do not exceed a maximum of 24 sprays in 24 hours. The spray is for external use only. Do not spray near the eyes or nostril. Wash off the area after intercourse.

AFTER USING THE SPRAY : If you or your partner develops a rash or irritation stop using the spray. High blood levels of Lidocaine can cause side effects such as nervousness, dizziness and convulsion. However side effects associated with the use of ONLY ME World Famous Delay Action Spray for Men are very rare as the levels of lidocaine absorbed are extremely low. Please consult your pharmacist if you feel unwell after using the spray.

DO NOT USE THE SPRAY:

- If you or your partner are allergic to Lidocaine.
- If you or your partner have broken or irritated skin on your genitals.
- If you develop skin irritation or burning, discontinue use and contact your physician.
- If you or your partner are being treated for kidney or liver disease.
- If you or your partner are pregnant or may be pregnant.
- Only Me Spray does not prevent pregnancy nor does it prevent sexually transmitted diseases or HIV.
- Avoid inhaling, keep away from eyes.
- Keep in a cool & dry place. Keep out of reach of children.
- Do not puncture or heat the container when empty.
